

## Product Specification

|                   |                                        |
|-------------------|----------------------------------------|
| Product Name      | Polyethylene glycol 300                |
| Glentham Code     | GC9998                                 |
| CAS Number        | 25322-68-3                             |
| EINECS            | 500-038-2                              |
| MDL-Nummer        | MFCD00081839                           |
| Molecular Weight  | ~300                                   |
| Molecular Formula | $(-\text{CH}_2\text{CH}_2\text{O}-)_n$ |
| Storage Temp.     | +20°C                                  |

| Property                 | Specification            |
|--------------------------|--------------------------|
| Physical Description     | Clear, colourless liquid |
| pH (5% aqueous solution) | 4.5 - 7.5                |
| Average Molecular Weight | 285 - 315                |
| Water                    | ≤ 2.0%                   |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2017-06-30 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
