

## Product Specification

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Product Name      | Octreotide acetate                              |
| Glentham Code     | GP4360                                          |
| CAS Number        | 79517-01-4                                      |
| MDL-Nummer        | MFCD00871400                                    |
| PubChem SID       | 310278279                                       |
| Molecular Weight  | 1019.24 (free acid)                             |
| Molecular Formula | $C_{49}H_{66}N_{10}O_{10}S_2 \cdot x(CH_3COOH)$ |
| Storage Temp.     | -20°C                                           |

| Property              | Specification             |
|-----------------------|---------------------------|
| Physical Description  | White to off-white powder |
| Assay                 | ≥ 98.0%                   |
| Specification Version | - v1.0                    |
| Date Created          | - 2016-01-13              |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
