

## Product Datasheet

### GP8770 - Metyrapone

Pictograms

#### Product Details

|                    |              |
|--------------------|--------------|
| Product Name       | Metyrapone   |
| Glentham Code      | GP8770       |
| CAS Number         | 54-36-4      |
| EINECS             | 200-206-2    |
| MDL-Nummer         | MFCD00006397 |
| PubChem SID        | 310277226    |
| Related Categories | APIs         |

#### Glentham Product Specification

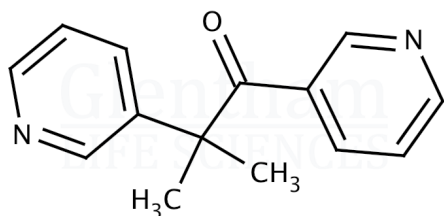

|                         |                              |
|-------------------------|------------------------------|
| Physical Description    | : White to off-white powder  |
| Solubility (2% in DMSO) | : Clear, colourless solution |
| Assay (NMR)             | : ≥ 98%                      |
| Version                 | : v1.0                       |

#### Structure

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Molecular Weight  | : 226.27                                           |
| Molecular Formula | : C <sub>14</sub> H <sub>14</sub> N <sub>2</sub> O |

#### About Metyrapone

No further details on record.

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

Not classified as dangerous for transport.

|                     |                                                                    |
|---------------------|--------------------------------------------------------------------|
| CLP Classification  | Skin Irr. 2, Eye Irr. 2A,<br>STOT SE 3, STOT SE 3,<br>Acute Tox. 4 |
| Signal Word         | Achtung                                                            |
| Hazard Codes        | H315, H319, H335, H336,<br>H302                                    |
| Precautionary Codes | P305+P351+P338, P261                                               |
