

## Product Specification

|               |                           |
|---------------|---------------------------|
| Product Name  | 1F-Fructofuranosylnystose |
| Glentham Code | GY4368                    |
| CAS Number    | 59432-60-9                |

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | 828.72                                          |
| Molecular Formula | C <sub>30</sub> H <sub>52</sub> O <sub>26</sub> |
| Storage Temp.     | -20°C                                           |

| Property             | Specification              |
|----------------------|----------------------------|
| Physical Description | White to pale yellow solid |
| Purity (HPLC)        | ≥ 98.0%                    |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2023-05-30 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
