

## Certificate of Analysis

|                   |                                              |
|-------------------|----------------------------------------------|
| Product Name      | Ethyl Acetate, GlenDry™, anhydrous           |
| Glentham Code     | GS7058                                       |
| CAS Number        | 141-78-6                                     |
| EINECS            | 205-500-4                                    |
| Batch Number      | 206CVL                                       |
| Molecular Weight  | 88.11                                        |
| Molecular Formula | C <sub>4</sub> H <sub>8</sub> O <sub>2</sub> |
| Storage Temp.     | +20°C                                        |

| Property              | Specification            | Batch 206CVL             |
|-----------------------|--------------------------|--------------------------|
| Physical Description  | Clear, colourless liquid | Clear, colourless liquid |
| Water                 | ≤ 0.0025%                | ≤ 0.0025%                |
| Residue on Ignition   | ≤ 0.0001%                | ≤ 0.0001%                |
| Assay                 | ≥ 99.9%                  | ≥ 99.9%                  |
| Specification Version | v1.0                     |                          |
| Manufacture Date      | 2025-03-06               |                          |
| Re-Test Date          | 2030-02-28               |                          |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
