## Safety Data Sheet

www.glentham.com

### 3.1 Substances

Name	Identifier %	Classification
1-Bromo-2,3,6-trifluorobenzene	CAS: 176793-04-7 EC: REACH: Not applicable	H315, Skin Irr. 2 H319, Eye Irr. 2A H335, STOT SE 3 H336, STOT SE 3

## 4. First aid measures

## 4.1 Description of first aid measures

Skin contact	Consult a doctor. Remove all contaminated clothes and footwear immediately unless stuck to skin. Wash immediately with plenty of soap and water.
Eye contact	Consult a doctor. Bathe the eye with running water for 15 minutes.
Ingestion	Consult a doctor. Wash out mouth with water.
Inhalation	Consult a doctor. Remove casualty from exposure ensuring one's own safety whilst doing so.

## 4.2 Most important symptoms and effects, both acute and delayed

Skin contact	There may be irritation and redness at the site of contact.
Eye contact	The eyes may water profusely. There may be irritation and redness.
Ingestion	There may be soreness and redness of the mouth and throat.
Inhalation	Exposure may cause coughing or wheezing. There may be irritation of the throat with a feeling of tightness in the chest.
Delayed / immediate	Immediate effects can be expected after short-term exposure

Delayed / immediate Immediate effects can be expected after short-term exposure.

## Indication of any immediate medical attention and special treatment needed

### Immediate / special treatment

Eye bathing equipment should be available on the premises.

## 5. Fire-fighting measures

4.3

## 5.1 Extinguishing media

Suitable extinguishing media for the surrounding fire should be used.

## 5.2 Special hazards arising from the substance or mixture

### Exposure hazards

In combustion emits toxic fumes.

## 5.3 Advice for fire-fighters

Wear protective clothing to prevent contact with skin and eyes. Wear self-contained breathing apparatus.

## 6. Accidental release measures

## 6.1 Personal precautions, protective equipment and emergency procedures

### Personal precautions

Do not create dust. If outside do not approach from downwind. If outside keep bystanders upwind and away from danger point. Mark out the contaminated area with signs and prevent access to unauthorised personnel. Refer to section 8 of SDS for personal protection details.

## 6.2 Environmental precautions

Do not discharge into drains or rivers.

## Methods and material for containment and cleaning up

## Clean-up procedures

Transfer to a closable, labelled salvage container for disposal by an appropriate method.

6.3

## Safety Data Sheet

www.glentham.com

6.4	Reference to other sections
-----	-----------------------------

Refer to section 8 of SDS.

## 7. Handling and storage

## 7.1 Precautions for safe handling

## Handling requirements

Avoid direct contact with the substance. Avoid the formation or spread of dust in the air. Do not handle in a confined space. Ensure there is sufficient ventilation of the area.

## 7.2 Conditions for safe storage, including any incompatibilities

Storage conditions

Avoid contact with water or humidity. Keep container tightly closed. Store in cool, well ventilated area.

## 7.3 Specific end use(s)

No data available.

## 8. Exposure controls/personal protection

## 8.1 Control parameters

Workplace exposure limits

No workplace exposure limit control parameters set

## 8.2 Exposure controls

•	
Engineering measures	Ensure there is sufficient ventilation of the area.
Respiratory protection	Respiratory protective device with particle filter. Self- contained breathing apparatus must be available in case of emergency.
Hand protection	Protective gloves.
Eye protection	Ensure eye bath is to hand. Safety glasses.
Skin protection	Protective clothing.

## 9. Physical and chemical properties

## 9.1 Information on basic physical and chemical properties

Physical state	No data available.
Colour	No data available.
Odour	No data available.
Melting point/Freezing point	No data available.
Boiling point/initial boiling point/boiling range	No data available.
Flammability	No data available.
Lower/Upper explosion limit	No data available.
Flash Point	No data available.
Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
рН	No data available.
Kinematic viscosity	No data available.
Solubility	No data available.
Partition coefficient n-octanol/water	No data available.
Vapour pressure	No data available.
Density/relative density	No data available.
Relative vapour pressure	No data available.
Particle characteristics	No data available.
u	

## 9.2 Other information

No data available.

## 10. Stability and reactivity

10.1 Reactivity

Stable under recommended transport or storage conditions.

**Glentham** LIFE SCIENCES

## Safety Data Sheet
