

## Product Specification

|                   |   |
|-------------------|---|
| Product Name      | 2,4,6-Triphenylpyrylium tetrafluoroborate |
| Glentham Code     | GK3505                                    |
| CAS Number        | 448-61-3                                  |
| EINECS            | 207-186-4                                 |
| MDL Number        | MFCD00012001                              |
| PubChem SID       | 310281420                                 |
| Molecular Weight  | 396.20                                    |
| Molecular Formula | $C_{23}H_{17}BF_4O$                       |
| Storage Temp.     | +20°C                                     |

| Property                | Specification                                  |
|-------------------------|--|
| Physical Description    | White to yellow crystalline powder or crystals |
| Identification (1H-NMR) | To conform to structure                        |
| Purity (NMR)            | ≥ 98%  |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2017-10-27 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
