

## Product Specification

|                   |                                              |
|-------------------|----------------------------------------------|
| Product Name      | p-Phenylenediamine                           |
| Glenthams Code    | GK3873                                       |
| CAS Number        | 106-50-3                                     |
| EINECS            | 203-404-7                                    |
| MDL Number        | MFCD00007901                                 |
| PubChem SID       | 310279190                                    |
| Molecular Weight  | 108.14                                       |
| Molecular Formula | C <sub>6</sub> H <sub>8</sub> N <sub>2</sub> |
| Storage Temp.     | +20°C                                        |

| Property              | Specification                                                    |
|-----------------------|------------------------------------------------------------------|
| Physical Description  | White to light-beige, or light-orange to brown crystalline solid |
| Identification (IR)   | To conform to standard                                           |
| Melting Point         | 138.0 - 145.0 °C                                                 |
| Assay (GC)            | ≥ 98.0%                                                          |
| Specification Version | - v1.0                                                           |
| Date Created          | - 2022-06-08                                                     |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
