

## Product Specification

|                   |   |
|-------------------|---|
| Product Name      | 2,6-Dimethoxyphenol                           |
| Glentham Code     | GK5069  |
| CAS Number        | 91-10-1                                       |
| EINECS            | 202-041-1                                     |
| MDL Number        | MFCD00064434                                  |
| PubChem SID       | 310271954                                     |
| Molecular Weight  | 154.16  |
| Molecular Formula | C <sub>8</sub> H <sub>10</sub> O <sub>3</sub> |
| Storage Temp.     | +20°C   |

| Property             | Specification                     |
|----------------------|-----------------------------------|
| Physical Description | Off-white to pale yellow crystals |
| Assay                | ≥ 99.0%                           |
| Melting Point        | 52 - 56 °C                        |
| Water                | ≤ 0.5%                            |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2014-04-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
