

## Product Specification

|                   |                                   |
|-------------------|-----------------------------------|
| Product Name      | N-Benzyl-tert-butylamine          |
| Glentham Code     | GK5550                            |
| CAS Number        | 3378-72-1                         |
| EINECS            | 222-179-6                         |
| MDL Number        | MFCD00008798                      |
| PubChem SID       | 310267731                         |
| Molecular Weight  | 163.27                            |
| Molecular Formula | C <sub>11</sub> H <sub>17</sub> N |
| Storage Temp.     | +20°C                             |

| Property             | Specification                     |
|----------------------|-----------------------------------|
| Physical Description | Colourless to light yellow liquid |
| Water                | ≤ 0.5%                            |
| Assay (GC)           | ≥ 99.0%                           |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2020-03-11 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
