#### Product Details

|               |                  |
|---------------|------------------|
| Product Name  | Ethyl nicotinate |
| Glentham Code | GK6290           |
| CAS Number    | 614-18-6         |
| EINECS        | 210-370-7        |
| MDL Number    | MFCD00006389     |
| PubChem SID   | 310272902        |

#### Glentham Product Specification

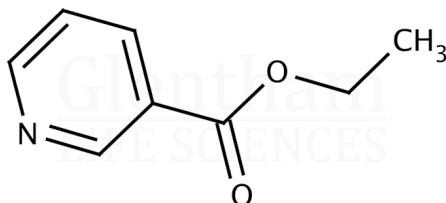

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| Physical Description    | : Clear, colorless to pale yellow or pale orange liquid |
| Identification (IR)     | : To conform to standard                                |
| Refractive Index (20°C) | : 1.5015 - 1.5045                                       |
| Purity (GC)             | : ≥ 98.0%                                               |
| Version                 | : v1.0                                                  |

#### Structure

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | : 151.17                                        |
| Molecular Formula | : C <sub>8</sub> H <sub>9</sub> NO <sub>2</sub> |
