

## Product Specification

|                |                     |
|----------------|---------------------|
| Product Name   | 2,3-Diaminopyridine |
| Glenthams Code | GK8932              |
| CAS Number     | 452-58-4            |
| EINECS         | 207-200-9           |
| MDL Number     | MFCD00006319        |
| PubChem SID    | 310271292           |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 109.13                                       |
| Molecular Formula | C <sub>5</sub> H <sub>7</sub> N <sub>3</sub> |
| Storage Temp.     |                                              |

| Property             | Specification                             |
|----------------------|-------------------------------------------|
| Physical Description | White to grey or brown powder or crystals |
| Identification (IR)  | To conform to standard                    |
| Melting Point        | 110.0 - 117.0 °C                          |
| Purity (GC)          | ≥ 97.5%                                   |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-10-20 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
