

## Product Specification

|                |                       |
|----------------|-----------------------|
| Product Name   | Lead(II) sulfate, 98% |
| Glenthams Code | GX4153                |
| CAS Number     | 7446-14-2             |

|                   |                   |
|-------------------|-------------------|
| Molecular Weight  | 303.25            |
| Molecular Formula | PbSO <sub>4</sub> |
| Storage Temp.     | +20°C             |

| Property             | Specification          |
|----------------------|------------------------|
| Physical Description | White powder or chunks |
| Assay                | ≥ 98.0%                |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2022-08-08 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
