

Product Datasheet

GX5974 - Myristoyl Pentapeptide-17

Product Details

Product Name : Myristoyl Pentapeptide-17
Glentham Code : GX5974
CAS Number : 959610-30-1

Structure

Molecular Weight : 796.14
Molecular Formula : $C_{41}H_{81}N_9O_6$

Storage

Recommended storage temperature: +4°C.

Hazards and Transport

Not classified as hazardous under CLP.
Not classified as dangerous for transport.

Glentham Product Specification

Physical Description : Lyophilised white powder
Water (KF) : $\leq 7.0\%$
Purity (HPLC) : $\geq 98.0\%$
Version : v1.0

About Myristoyl Pentapeptide-17

No further details on record.
