

## Product Specification

|                   |                             |
|-------------------|-----------------------------|
| Product Name      | Bis(2-ethylhexyl) phosphate |
| Glentham Code     | GX6279                      |
| CAS Number        | 298-07-7                    |
| EINECS            | 206-056-4                   |
| MDL Number        | MFCD00009492                |
| Molecular Weight  | 322.43                      |
| Molecular Formula | $C_{16}H_{35}O_4P$          |
| Storage Temp.     | +20°C                       |

| Property                | Specification                                |
|-------------------------|--|
| Physical Description    | Clear, colourless to very pale yellow liquid |
| Identification (IR)     | To conform to standard                       |
| Refractive Index (20°C) | 1.4400 - 1.4445                              |
| Purity                  | ≥ 95.0%                                      |
| Specification Version   | - v1.0                                       |
| Date Created            | - 2017-04-26                                 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
