

## Product Datasheet

### GX6821 - Isopropyl acetate, 99.5%

#### Product Details

|                |                          |
|----------------|--------------------------|
| Product Name   | Isopropyl acetate, 99.5% |
| Glenthams Code | GX6821                   |
| CAS Number     | 108-21-4                 |
| EINECS         | 203-686-1                |
| MDL Number     | MFCD00008877             |

#### Structure

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | : 102.13                                        |
| Molecular Formula | : C <sub>5</sub> H <sub>10</sub> O <sub>2</sub> |

#### Pictograms

UN Number, Class, PG (RID) UN1220 - 3 - PG II

#### Glenthams Product Specification

|                         |                                   |
|-------------------------|-----------------------------------|
| Physical Description    | : Clear, colourless liquid        |
| Refractive Index (20°C) | : 1.375 - 1.379                   |
| Density (20°C)          | : 0.866 - 0.869 g/cm <sup>3</sup> |
| Arsenic (As)            | : ≤ 3ppm                          |
| Cadmium (Cd)            | : ≤ 1ppm                          |
| Mercury (Hg)            | : ≤ 1ppm                          |
| Lead (Pb)               | : ≤ 10ppm                         |
| Purity (GC)             | : ≥ 99.5%                         |
| Version                 | : v1.0                            |

#### About Isopropyl acetate, 99.5%

No further details on record.

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                     |                                                 |
|---------------------|-------------------------------------------------|
| CLP Classification  | STOT SE 3, Eye Irr. 2A, Flam. Liq. 2, STOT SE 3 |
| Signal Word         | Danger                                          |
| Hazard Codes        | H335, H319, H225, H336                          |
| Precautionary Codes | P305+P351+P338, P403+P235, P210, P304+P340      |
| EUH Codes           | EUH066                                          |
