

## Product Specification

---

|               |   |
|---------------|---|
| Product Name  | McCoy's 5A Medium (with L-glutamic acid, without L-glutamine or sodium bicarbonate) |
| Glentham Code | GX8227  |
| CAS Number    |   |
| MDL Number    | MFCD00217560  |

---

|                   |      |
|-------------------|------|
| Molecular Weight  |      |
| Molecular Formula |      |
| Storage Temp.     | +4°C |

| Property             | Specification                     |
|----------------------|-----------------------------------|
| Physical Description | White to off-white or pink powder |
| Solubility (11.8g/L) | Clear solution                    |
| pH                   | Reported                          |
| Osmolality           | Reported                          |
| Loss on Drying       | ≤ 2.0%                            |
| Endotoxins           | ≤ 1.0EU/ml                        |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2024-06-27 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
