## **Product Specification**

| Product Name      | Osmium Powder, 99.9% |
|-------------------|----------------------|
| Glentham Code     | GX8933               |
| CAS Number        | 7440-04-2            |
| Molecular Weight  | 190.23               |
| Molecular Formula | Os                   |
| Storage Temp.     | +20°C                |
| olorage remp.     | 120 0                |

| Property  | Specification    |
|---|------------------|
| Physical Description                              | Blue-grey powder |
| Purity (Trace Metals Basis)                       | ≥ 99.9%          |
| Specification Version-v1.0Date Created-2024-09-10 |                  |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check www.glentham.com or contact us using the details above for the current version of this document.
