

## Product Specification

---

|               |                |
|---------------|----------------|
| Product Name  | Chelidoniumine |
| Glentham Code | GY8324         |
| CAS Number    | 476-32-4       |

---

|                   |                    |
|-------------------|--------------------|
| Molecular Weight  | 353.37             |
| Molecular Formula | $C_{20}H_{19}NO_5$ |
| Storage Temp.     | +4°C               |

| Property             | Specification                           |
|----------------------|---|
| Physical Description | White to light brown powder or crystals |
| Water                | ≤ 7.0%                                  |
| Purity (HPLC)        | ≥ 97.0%                                 |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2024-11-05 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
