

## Certificate of Analysis

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Product Name      | Chloroform, GlenPure™, analytical grade stabilised with ethanol |
| Glentham Code     | GS8231                                                          |
| CAS Number        | 67-66-3                                                         |
| EINECS            | 200-663-8                                                       |
| Batch Number      | 329VJS                                                          |
| Molecular Weight  | 119.38                                                          |
| Molecular Formula | CHCl <sub>3</sub>                                               |
| Storage Temp.     | +20°C                                                           |

| Property             | Specification            | Batch 329VJS             |
|----------------------|--------------------------|--------------------------|
| Physical Description | Clear, colourless liquid | Clear, colourless liquid |
| Residue on Ignition  | ≤ 0.0001%                | < 0.0001%                |
| Water (KF)           | ≤ 0.005%                 | < 0.005%                 |
| UV Transmission      | 250 nm ≥ 10%             | > 10%                    |
|                      | 255 nm ≥ 50%             | > 50%                    |
|                      | 260 nm ≥ 80%             | > 80%                    |
|                      | 270 nm ≥ 95%             | > 95%                    |
|                      | 280-400 nm ≥ 99%         | > 99%                    |
| Purity (GC)          | ≥ 99.9%                  | > 99.9%                  |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2024-12-12 |
| Re-Test Date          | 2029-04-06 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
