

## Certificate of Analysis

|                   |                                                |
|-------------------|------------------------------------------------|
| Product Name      | Puerarin                                       |
| Glentham Code     | GC0175                                         |
| CAS Number        | 3681-99-0                                      |
| MDL Number        | MFCD00076007                                   |
| PubChem SID       | 310279386                                      |
| Batch Number      | 486LAS                                         |
| Molecular Weight  | 416.38                                         |
| Molecular Formula | C <sub>21</sub> H <sub>20</sub> O <sub>9</sub> |
| Storage Temp.     | +4°C                                           |

| Property              | Specification             | Batch 486LAS |
|-----------------------|---------------------------|--------------|
| Physical Description  | White to off-white powder | White powder |
| Assay (HPLC)          | ≥ 98.0%                   | 99.3%        |
| Specification Version | v1.0                      |              |
| Manufacture Date      | 2019-11-05                |              |
| Re-Test Date          | 2028-10-31                |              |
