

## Certificate of Analysis

|                   |                                  |
|-------------------|----------------------------------|
| Product Name      | Indole-3-acetic acid sodium salt |
| Glentham Code     | GV0584                           |
| CAS Number        | 6505-45-9                        |
| PubChem SID       | 310275203                        |
| MDL Number        | MFCD09039281                     |
| Batch Number      | 647DXJ                           |
| Molecular Weight  | 197.17                           |
| Molecular Formula | $C_{10}H_8NNaO_2$                |
| Storage Temp.     | +4°C                             |

| Property                 | Specification                                       | Batch 647DXJ                 |
|--------------------------|---|------------------------------|
| Physical Description     | White, off-white or light-yellow to pale tan powder | Pale tan powder              |
| Solubility (5% in water) | Clear, colourless to faint yellow solution          | Clear, faint yellow solution |
| Water (KF)               | ≤ 8.0%  | 1.57%                        |
| Assay                    | ≥ 98.0% (dried basis)                               | 98.24%                       |
| Specification Version    | v1.0  |                              |
| Manufacture Date         | 2021-01-17  |                              |
| Re-Test Date             | 2030-03-02  |                              |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
