

## Product Specification

|                   |                                      |
|-------------------|--------------------------------------|
| Product Name      | Hydrochloric acid, 4% (w/v) in water |
| Glentham Code     | GE3443                               |
| CAS Number        | 7647-01-0                            |
| EINECS            | 231-595-7                            |
| Numéro MDL        | MFCD00011324                         |
| Molecular Weight  | 36.46                                |
| Molecular Formula | HCl                                  |
| Storage Temp.     | +20°C                                |

HCl

| Property             | Specification              |
|----------------------|----------------------------|
| Physical Description | Clear, colourless solution |
| Concentration (w/v)  | 4%                         |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2020-12-21 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
