

## Product Specification

|                   |                          |
|-------------------|--------------------------|
| Product Name      | Silver tetrafluoroborate |
| Glentham Code     | GK4112                   |
| CAS Number        | 14104-20-2               |
| EINECS            | 237-956-5                |
| Numéro MDL        | MFCD00003408             |
| PubChem SID       | 310280023                |
| Molecular Weight  | 194.67                   |
| Molecular Formula | AgBF <sub>4</sub>        |
| Storage Temp.     |                          |

| Property              | Specification                    |
|-----------------------|----------------------------------|
| Physical Description  | White to very pale yellow powder |
| Assay (Titration)     | ≥ 98.0%                          |
| Specification Version | - v1.0                           |
| Date Created          | - 2024-09-04                     |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
